2140 W. Greenleaf Street

Allentown, PA 18104

MunOpCo Music Theatre, in its' efforts to bring audiences of the Lehigh Valley quality entertainment needs your help to make our 84th Season a reality. Sponsorships and donations are needed in order to schedule our 2011 Season.

MunOpCo Music Theatre would like to begin their 84th season with a Broadway show as we have for the past 82 seasons. The past two years, MunOpCo has produced their own reviews in order to keep our doors open and survive the economic crisis.

To produce a two weekend Broadway show on the MunOpCo stage totals approximately \$36,000.00. This amount includes the cost for New York royalty and rental fees (\$8000), live orchestra (\$5600), professional staff fees (\$4700), set construction, costume expenses, and advertising fees, etc make up the remaining balance. The NY royalty and rental fees are needed up front in order to secure the rights to produce a Broadway show.

MunOpCo is the oldest community theatre in the City of Allentown is a special place for not only our supportive audiences but also a special place for the 100's of volunteer cast members and staff who pride themselves in producing extraordinary productions.

Please consider MunOpCo Music Theatre as a worthwhile organization to help financially. Donations and sponsorships of any amount, whether it be \$5.00 or \$1000.00 are all welcome and benefit our mission. All donations are tax deductible since MunOpCo is a 501-C3 non-profit organization. Thank You
